#### DESIGNATING FEBRUARY 2006 AS "GO DIRECT MONTH"

Mr. FRIST. Mr. President, I ask unanimous consent that the Senate proceed to the immediate consideration of S. Res. 363, which was submitted earlier today.

The PRESIDING OFFICER. The clerk will report the resolution by title.

The legislative clerk read as follows:

A resolution (S. Res. 363) designating February 2006 as "Go Direct Month."

There being no objection, the Senate proceeded to consider the resolution.

Mr. KENNEDY. Mr. President, it's a privilege to join my colleague Senator GRASSLEY in submitting this important resolution commemorating February 2006 as Go Direct Month.

In 2004, the Treasury Department issued over 70,000 checks worth \$61 million that were illegally signed for. The Treasury receives approximately half a million phone calls each year from people having problems with paper checks.

Go Direct encourages Americans to use direct deposit for their Federal

checks, such as Social Security. Under direct deposit, the Federal Government transfers its payments directly to a person's bank account, eliminating the risk of lost or stolen checks. Since 1986, direct deposit has also saved the Federal Government \$5 billion in administrative costs—\$120 million a year for Social Security checks alone.

Now, the Treasury Department and the Federal Reserve have launched Go Direct to encourage Americans to protect their Federal benefits and take more control of their money. Go Direct Month, promoted by the Federal Government and by State and local governments and the private sector as well, will inform as many citizens as possible about the advantages of direct deposit and help them adopt direct deposit for the future.

I urge my colleagues to approve this worthwhile resolution and to encourage their constituents to take advantage of this time-saving and problem-avoiding initiative.

Mr. FRIST. Mr. President, I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, and the motion to reconsider be laid upon the table.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 363) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

#### S. RES. 363

Whereas the Department of Treasury issued over 70,000 checks worth approximately \$61,000,000 that were illegally signed for in 2004;

Whereas the Department of the Treasury receives approximately 500,000 telephone calls each year regarding problems with paper checks;

Whereas the use of direct deposit has resulted in approximately \$5,000,000,000 in savings for the Federal Government since 1986;

Whereas 1 out of every 5 newly eligible Social Security recipients has yet to sign up for direct deposit;

Whereas the United States would generate approximately \$120,000,000 in annual savings if all federal beneficiaries used direct deposit;

Whereas the use of direct deposit is a more secure, reliable, and cost effective method of payment because the use of direct deposit—

(1) eliminates the risk of lost or stolen checks;

(2) helps protect against fraud; and

(3) provides citizens of the United States with more control over their money;

Whereas the Department of the Treasury and the Federal Reserve Bank has launched "Go Direct", a national campaign organized to encourage citizens of the United States to use direct deposit for the receipt of Social Security and other Federal benefits; and

Whereas, by working with financial institutions, advocacy groups, and community organizations, the sponsors of "Go Direct" educate citizens of the United States about the advantages of using direct deposit and assist them during the enrollment process: Now, therefore, be it

*Resolved, That the Senate—*

(1) supports the goals and ideas of "Go Direct";

(2) proclaims February 2006 as "Go Direct Month";
